28)

18 Petitioner filed this petition for a writ of habeas corpus by a
19 state prisoner on June 7, 2011. For the following reasons, the
20 petition is subject to dismissal.

21 In 1986, petitioner was convicted of forgery in Texas state
22 court. [Petition at 2]. Subsequently, petitioner was released from
23 prison, but it appears that he remains on parole. [Petition at 5]. He
24 is currently incarcerated in county jail in San Francisco, California.
25 [Petition at 1-2]. Although it is not entirely clear exactly what
26 relief petitioner seeks or what action he attempts to challenge, it is
27 clear that he is neither confined within the Central District of
28 California nor challenging a conviction or sentence entered by a state
or federal court within the Central District of California.

1 Therefore, this petition is not properly brought in this Court. See
2 28 U.S.C. § 2241(d). The possibility of transferring the case to the
3 appropriate forum has been considered, but given the unclear nature of
4 petitioner's allegations, it seems best to allow petitioner to select
5 the appropriate forum for himself.

6 The petition is dismissed without prejudice to petitioner's
7 ability to file a new habeas petition in the appropriate court.

8 **IT IS SO ORDERED.**
